SUBWAY

U.S. Allergy and Sensitivity Information

December 2019

This list is compiled based on product information provided by Subway® approved food manufacturers. Every effort is made to keep this information current however it is possible that ingredient changes and substitutions may occur before this list is updated. This chart does not include some regional or special promotional items as ingredients vary. Individual food items may come in contact with one another during food preparation and is not reflected on this chart. Please notify the sandwich artist if you have a food allergy.

chart. Please notify the sandwich artist if you have a food allergy.

¹ Wheat & Gluten categories are combined since all Subway® gluten-containing items contain wheat.

²The Gluten-Free bread is manufactured in a Gluten-Free facility. However, other menu items and ingredients in our restaurants contain gluten and are prepared on shared equipment, so we cannot guarantee that our menu items are 100% gluten-free.

^{*}Only contains highly refined oil from this ingredient. FDA exempts labeling refined oils as allergens since they can be safely consumed by food-

allergic individuals.

**Due to the nature of how these cookies are displayed in the restaurant they may come in contact with other nut containing cookies. Peanut butter cookie may contain macadamia nuts due to manufacturing process.
